SUMMARY

Fresh graduate in Information Systems from Maranatha Christian University, proficient in front-end development using Next.js and experienced in software testing. Completed a 1.5-year internship in web development at PT Bank Central Asia Tbk. Passionate about web development and QA, actively seeking new opportunities.

EXPERIENCE

Web Developer Intern

February 2023 - July 2024, Bandung

PT Bank Central Asia Tbk

- Developed two modules for a custom-built promo CMS for BCA's internal use, utilizing the Next.js front-end framework, ASP.NET for the API, SQL Server for database management, and Postman for API testing.
- Enhanced the functionality and user experience of BCA's currency exchange rates web page at bca.co.id.
- Developed a console application for various automation needs.
- Developed a REST API with Spring Boot Java and SQL Server, and integrated it with the Vue.js front-end framework for the development of the user interface.
- Explored Docker and Google Cloud Platform.

Data Entry Staff Intern

June 2022 - December 2022, Bandung

Direktorat Kemahasiswaan dan Alumni, Universitas Kristen Maranatha

- Sorted and organized data for efficient analysis. • Conducted accurate data entry, ensuring data integrity.
- Analyzed student data and created detailed reports.
- Managed administrative tasks, including maintaining records and organizing files for easy access.
- Participated in improving application systems to simplify student data organization and data entry.

Laboratory Staff Member & Coordinator

October 2021 - June 2022, Bandung

Fakultas Teknologi Informasi, Universitas Kristen Maranatha

- Responsible for maintenance, monitoring, and updates all hardware and software in the IT lab.
 - Maintained accurate records of all IT lab hardware inventory.
 - Provided assistance in case of any technical issues in the IT lab.
 - Assisted visitors and students by providing information and guidance on lab services.
-

EDUCATION

Bachelor of Computer Information Systems

Universitas Kristen Maranatha, Bandung, 2024

- Received a scholarship for 2 years from Universitas Kristen Maranatha due to high academic performance and submission of a required student creativity proposal.
 - Non-academic member of SEMAFIT (Student Faculty Senate) for one academic year.
 - 3.90 GPA
-

SKILLS

Front-End : Next.js, HTML, CSS, JavaScript

Back-End : ASP.NET, SQL Server
